Rahul Gandhi assessment re on concealment facts: Tax dep

PRESS TRUST OF INDIA
New Delhi, August 16

THE INCOME TAX department told the Delhi High Court leader Rahul Gandhi's tax year 2011-12 was reopened were concealed.

The department's contention before a bench of Justices S. J. AK Chawla by additional (ASG) Tushar Mehta.

The bench, after hearing for two hours, reserved its order for 10 on the pleas of Rahul Gandhi and Congress leader all of whom have challenged their tax assessments for (2011-12).

While reserving the order, the tax department asked the department to take a coercive step against Sonia Gandhi till pronouncement of the order.

When the bench was asked to give an interim direction on this, the court said there was no need to pass a writ as the department was assured that no coercive action would be taken in the meantime.

After which senior advocate Damodar Dambaram, appearing for Sonia Gandhi, said she had faith in the oral statement of the ASG.

ASG Mehta argued that the department had alleged malafide on the part of the department but had not made any attempt in this regard. Regarding the department's contention that a notice was sent to the department at 11:28 pm on Monday, the law officer said adhering to the department's contention, it would be termed 'malafide exercise'.

"I (assessing officer) will be liable for malafide if I do not send a notice to the department," argued Chidambaram said that the department's contention of assessment was "perverse" and that "non-application of mind" should be set aside.

He also said that the Congress leader had declared an income of ₹1.9 lakh for her shares in Youvaan in 2011 and now she was told that ₹154 lakh was her taxable income. He termed it a "malafide exercise". During the hearing, the court said that Rahul's assessment was "perverse" and that his income from other sources had not been taken into account in the material facts, including that he had declared an income of ₹1.9 lakh for her shares in Youvaan in 2011, which was concealed.

"He (Rahul) failed to full and frank disclosure of material facts," he said. "The department got to know through some sources that she conducted her own enquiry and reached a conclusion that this income was not assessed and it must be looked into, which the assessment was reopened."
